Trade Worker Bursary

Purpose: Exclusive to CHA members or person affiliated with a CHA Membership of any age, entering a skilled worker program specializing in trades benefiting agriculture. (Examples; welder, ultrasound technician, health care worker, mechanic, AI course, bookkeepers, graphic design, etc.)

Award: Up to \$2,500 may be awarded each year.

Applicant Eligibility:

1. Any CHA member or person affiliated with a CHA membership is eligible to apply.
2. The Bursary is available for those attending a skilled worker program specializing in trades benefitting agriculture (ex. Welder, ultrasound technician, healthcare worker, mechanic, Artificial Insemination course).
3. A person may only receive this bursary once.

Application Process:

1. Submit an essay with proof of registration into the program and the program cost.

Selection Process:

1. Applications will be reviewed and ranked by the Keith Gilmore Foundation Board of Trustees.
2. Successful Applicants will be required to provide proof of enrollment/tuition fees being paid before any KGF scholarship cheque will be distributed.

Completed applications can be emailed (preferred) or posted to the KGF office.

Closing date for Applications is June 1.
